The PACE Directors extend our thanks and best wishes to Bruce Fuller,, who resigned as a Director of PACE at the end of 2014. Bruce joined PACE in 1996, and guided us through a pivotal decade. Under his leadership PACE's work on school choice, pre–K education, and other topics had a profound impact on education policy debates in California and beyond. Bruce will continue as Professor of Education and Public Policy at UC-Berkeley, and as a vital contributor to the public conversation on education and other policy issues. His new book, *Organizing Locally*, will be published in April 2015. We wish him well.
