QUEST: A school voucher plan will save taxpayer money.

	strngly agree	smwht agree	smwht disagr	strngly disagr	don't know
ALL	21	20	23	27	9

NO. 76

QUEST: There is a proposed California state constitutional amendment on the ballot to enable parents to choose a child's school by providing a voucher for every school age child. The amount of the voucher would be equal to at least 50% of the amount spent per pupil in the public schools.

	strngly agree	smwht agree	smwht disagr	strngly disagr	don't know
ALL	31	34	12	18	6

NO. 77

QUEST: If a school voucher plan is adopted, some students may travel farther to get to schools outside their neighborhoods. Who do you think should be responsible for these additional transportation costs?

	parents	taxpayers	txpyrs fr poor	other	don't know
ALL	55	17	9	16	3

NO. 78

QUEST: If a school voucher plan is adopted, should students in both public and private schools who are disabled or have other special needs get additional help?

	yes	no	don't know
ALL	86	10	3

NO. 79

QUEST: Currently private schools are not required to hire teachers who are certified by the state. Public schools must. If a voucher plan is adopted, do you think:

	hire certified	hire not certfd	crtfcn ruls sty	don't know
ALL	62	8	26	5

NO. 80

QUEST: If a voucher plan is adopted, should the state require all schools to publicize their test scores to help parents choose schools?

	yes	no	don't know
ALL	79	18	4

NO. 81

QUEST: Public schools must currently comply with many state and federal regulations that private schools do not. If a voucher plan passes, should public schools be deregulated to make them more like private schools?

	yes	no	don't know
ALL	41	52	7

NO. 82

QUEST: If a voucher plan passes, should private schools be required to meet state academic, fiscal, and safety requirements?

	yes	no	don't know
ALL	95	3	2

NO. 83

QUEST: If a voucher plan is adopted, there may not be enough room for students to attend certain public and private schools. What is the fairest way to provide access to schools that has more students than spaces?

	lottery	frst come, srv prefrrd stats	own admissns	don't know	
ALL	30	22	10	30	8

NO. 84

QUEST: Some people say that a voucher system will primarily help those who already have children in private schools. Other people say that a voucher system will give choices to those who do not now have them. Which comes closer to your view?

	childrn helpd	voucher choice	don't know
ALL	31	61	8

NO. 85

QUEST: Who do you think would benefit least from a school voucher plan -- underprivileged, middle class, or upper class children?

	undrprvlegd	middle class	upper class	all children	no children
ALL	40	18	32	3	1

don't know

ALL	6
-----	---

NO. 86

QUEST: If a voucher plan is approved, should it be:

	tested first	effect all over	failing areas	don't know
ALL	51	11	32	6

NO. 87

QUEST: If a school voucher plan is adopted, should there be a maximum set on the amount of tuition which participating private schools can charge?

	yes	no	don't know
ALL	77	17	6

NO. 88

QUEST: Are you a parent?

	yes	no	don't know
ALL	63	37	0

NO. 89

QUEST: IF YES: What are the ages of your children?
0 - 5 YEARS OLD

yes no

QUEST: Under a voucher system, parents with school age children receive a credit or voucher from the state. They can either send their child to any public school or use the voucher to help pay for their child's education etc.
 Do you strongly, somewhat favor, or somewhat, strongly oppose this system?
