

January 21-28, 2018

CALIFORNIA STATEWIDE
#235-I
Topline Results
2,500 Registered Voters in California

Thank you for your participation. Please read the following important instructions before proceeding.

The survey will take about 20 minutes. You cannot stop the survey and restart later, so be sure you have enough time before starting.

Click on the "continue" button below to begin the survey.

1. First, are you registered to vote in the State of California?

Yes 100%
No TERMINATE
DON'T KNOW TERMINATE

(PTY) Are you registered to vote as a (ROTATE)

Democrat..... 46%
Republican 27%
Independent / No Party Preference..... 25%
Other Party member 2%
DON'T KNOW 1%

2. Are you, or is anyone living in your household, employed by a market research company, a newspaper, magazine, television or radio station, a political party or by a candidate for political office?

Yes TERMINATE
No 100%
DON'T KNOW TERMINATE

3. A lot of times people are busy and are not always able to vote. In November 2018, there will be a general election for Governor, U.S. Senate, and other offices and issues. I know it's a long way off, but how likely are you to vote in that election: Will you definitely vote, probably vote, are the chances 50-50, will you probably not vote, or will you definitely not vote?

Definitely vote 80%
Probably vote 13%
50-50 5%
Probably not vote..... 1%
Definitely not vote 1%
DON'T KNOW 1%

4. There are many issues currently facing the country. For each of the following issues, please indicate how important each one is for you on a scale from ONE to TEN with TEN being VERY important and a ONE being NOT AT ALL important. You can use any number from one to ten. **(RANDOMIZE)**

(RANDOMIZE)	<u>Mean</u>	<u>10</u>	<u>6-9</u>	<u>5</u>	<u>1-4</u>	<u>DK</u>
_a. Gun violence	8.07	40%	45%	6%	9%	1%
_b. Opioid addiction.....	7.23	22%	54%	9%	13%	2%

7. **(SPLIT A)** Students are often given the grades A, B, C, D and F to rate the quality of their work at school. Suppose California public schools were graded in the same manner. What grade would you currently give California's public schools?

A..... 3%
 B..... 19%
 C 44%
 D 21%
 F or Fail 8%
DON'T KNOW 4%

8. **(SPLIT A)** Suppose the teachers in California's public schools were graded in the same manner. What grade would you currently give California teachers?

A..... 9%
 B..... 39%
 C 32%
 D 9%
 F or Fail 4%
DON'T KNOW 6%

9. **(SPLIT A)** In the past few years, would you say California's public schools have gotten better, worse or have stayed about the same?

Gotten Better 13%
 Gotten Worse 43%
 Stayed the same..... 35%
DON'T KNOW 8%

10. **(SPLIT B)** Students are often given the grades A, B, C, D and F to rate the quality of their work at school. Suppose your local public schools were graded in the same manner. What grade would you currently give your local public schools?

A..... 9%
 B..... 30%
 C 35%
 D 12%
 F or Fail 5%
DON'T KNOW 8%

11. **(SPLIT B)** Suppose the teachers in your local public schools were graded in the same manner. What grade would you currently give your local teachers?

A..... 15%
 B..... 42%
 C 24%
 D 6%
 F or Fail 3%
DON'T KNOW 11%

12. **(SPLIT B)** In the past few years, would you say your local public schools have gotten better, worse or have stayed about the same?

Gotten Better	16%
Gotten Worse	35%
Stayed the same.....	38%
DON'T KNOW	11%

13. Do you think California public schools currently have the money needed to provide students with a quality education or do you think the state should be spending more on schools? **(RORATE PUNCH 1 AND 2)**

The State of California spends enough on schools	27%
The State of California should be spending more on schools.....	65%
DON'T KNOW	8%

Spends enough – Should be spending more -38

14. **(SPLIT A)** The California Constitution requires the Legislature to spend approximately 40 percent of General Fund revenue on K-12 schools and community colleges each year. In the 2015-16 school year spending per pupil in California schools was \$10,291. Now that you have more information, do you think California public schools currently have the money needed to provide students with a quality education, or do you think the state should be spending more on schools? **(ROTATE PUNCH 1 AND 2)**

The State of California spends enough on schools	35%
The State of California should be spending more on schools.....	56%
DON'T KNOW	9%

Spends enough – Should be spending more -21

15. **(SPLIT B)** According to the California Budget and Policy Center California ranks 41st in per pupil spending among the 50 states. In the 2015-16 school year spending per pupil in California schools was \$10,291. Now that you have more information, do you think California public schools currently have the money needed to provide students with a quality education, or do you think the state should be spending more on schools? **(ROTATE PUNCH 1 AND 2)**

The State of California spends enough on schools	25%
The State of California should be spending more on schools.....	67%
DON'T KNOW	8%

Spends enough – Should be spending more -42

16. **(SPLIT A)** Some states give each school a single overall performance rating, usually on an A-F or 0-100 scale. Other states do not give schools a single rating, and instead give each school an individual rating on several different measures of performance such as student assessment in specific subject areas, graduation rates, and suspension rates. Which of these best expresses your opinion about an overall rating?

I think schools should receive an overall rating, such as on an A-F or 0-100 scale	35%
I <u>do not</u> think schools should receive an overall rating, but instead should receive individual ratings on several different measures of performance	58%
DON'T KNOW	7%

Should receive overall rating – Should not receive -24

17. **(SPLIT B)** Under the new federal education law, more than 40 states have chosen to give each of their schools a single overall performance rating, usually on an A-F or 0-100 scale. California has chosen not to give schools an overall rating; instead, schools will be rated on several different measures but the scores will not be combined. Which of these best expresses your opinion about an overall rating?

I think schools should receive an overall rating, such as
 on an A-F or 0-100 scale 47%
 I do not think schools should receive an overall rating, but instead
 they should receive a rating for multiple measures of performance..... 44%
DON'T KNOW 9%

Should receive overall rating – Should not receive 4%

18. In 2017, California changed the way it evaluated schools. The new California Dashboard evaluates school performance on multiple measures. To what extent are you familiar with the new California Dashboard?

I have heard or read about it, and I know a good deal about it..... 6%
 I have heard or read about it, and I know a fair amount 10%
 I have heard or read about it, but I do not know much about it..... 29%
 I have never heard or read about it 51%
DON'T KNOW 4%

Total heard 45%
Heard – Not heard..... -7

19. **(IF HEARD IN Q.18)** Have you visited the new California Dashboard website?

No, I have never visited 72%
 Yes, I have visited once or twice..... 20%
 Yes, I have visited several times/more.... 7%
DON'T KNOW 1%

Total yes..... 27%
Yes – No -44

20. **(IF HEARD IN Q.18)** Based on what you know, do you have a positive or negative impression of California Dashboard?

Very positive 11%
 Somewhat positive 40%
 Somewhat negative 10%
 Very negative 2%
DON'T KNOW 37%

Total positive 51%
Total negative 12%

Positive – Negative +39

Here are some images of the California School Dashboard website.

Grade Span: K-12 Charter School: No

Equity Report **Status and Change Report** Detailed Report Student Group Report

The Equity Report shows the performance levels for all students on the state indicators. It also shows the total number of student groups that received a performance level for each indicator and how many of those student groups are in the two lowest performance levels (Red/Orange). The total number of student groups may vary due to the number of grade levels included within each indicator. Select any of the underlined indicators for more detailed information.

State Indicators	All Students Performance	Total Student Groups	Student Groups in Red/Orange
Chronic Absenteeism	N/A	N/A	N/A
Suspension Rate (K-12)		13	7
English Learner Progress (1-12)		1	0
Graduation Rate (9-12)		10	3

Equity Report **Status and Change Report** Detailed Report Student Group Report

The status and change report provides the performance level for all students on state indicators. It also shows how the current year (status) compares to prior years (change) for each state indicator. Status and change each have five possible levels, which are displayed with the data for each indicator. Select any of the underlined indicators for more detailed information.

State Indicators	All Students Performance	Status	Change
Chronic Absenteeism	N/A	N/A	N/A
Suspension Rate (K-12)		High 7.6%	Declined -0.4%
English Learner Progress (1-12)		High 75.1%	Declined -6%
Graduation Rate (9-12)		High 93.5%	Maintained +0.7%
College/Career (9-12) <small>Select for one year of available data</small>	N/A	Medium 35.5%	N/A
English Language Arts (3-8)		Low 53.4 points below level 3	Declined -5.2 points

21. Based on what you see here, do you have a positive or negative impression of California Dashboard?

Very positive	11%
Somewhat positive	50%
Somewhat negative	19%
Very negative	3%
DON'T KNOW	16%
Total positive	61%
Total negative	23%
Positive – Negative	+38

22. Please indicate how much you agree or disagree with the following statements about the California School Dashboard. For each one, please indicate whether you strongly agree, somewhat agree, somewhat disagree or strongly disagree that policy. If you are not sure, please indicate so.

(RANDOMIZE)	<u>STR</u> <u>AGREE</u>	<u>SMWT</u> <u>AGREE</u>	<u>SMWT</u> <u>DIS-</u> <u>AGREE</u>	<u>STR</u> <u>DIS-</u> <u>AGREE</u>	<u>DON'T</u> <u>KNOW</u>	<u>TOTAL</u> <u>AGREE</u>	<u>TOTAL</u> <u>DIS-</u> <u>AGREE</u>	<u>AGREE -</u> <u>DIS-</u> <u>AGREE</u>

23. Currently California provides free public preschool for some four-year olds whose families meet a low-income eligibility requirement. Additionally, children who turn 5 years old between September and December 1 are eligible for free public transitional kindergarten. Families of all other 4-year-olds must pay for preschool. Knowing this, which of the following statements is closest to your own opinion:

(RANDOMIZE)

Keep these policies as they are	15%
Expand free public transitional kindergarten to all 4-year-olds	29%
Allow all 4-year-olds access to the same public and private preschools, with the state subsidizing families on a sliding scale based on income	27%
California taxpayers should not be funding preschool	22%
DON'T KNOW	7%

24. How would you describe your general understanding of what charter schools in California do and how they operate?

- I have a very good understanding..... 15%
- I have a somewhat good understanding .. 33%
- I know a little..... 33%
- I really don't know much at all..... 19%

25. Using your best guess, please estimate what percent of K-12 students in California attend private, charter, and traditional public schools on a scale from 0 to 100 percent. You can use any number from 0-100, the higher the number the more percentage of California students you estimate attend that type of school. If you have no opinion, please enter 101.

47. Have you heard or read anything about a policy called the Local Control Funding Formula, which changes the way California K-12 public schools are funded and requires the development of Local Control and Accountability Plans? **(ROTATE PUNCHES AS 1-2-3-4/4-3-2-1) (2015)**

I have heard or read a good deal about it 6%
 I have heard or read a little bit about it 11%
 I have not heard or read much about it 15%
 I have never heard or read about it 60%
DON'T KNOW 9%

Total heard **17%**

48. **(IF 1-2 IN Q.47)** Based on what you know, do you have a positive or negative impression of the Local Control Funding Formula approach and the Local Control and Accountability Plan? **(ROTATE PUNCHES AS 1-2-3-4/4-3-2-1) (2015)?**

Very positive 24%
 Somewhat positive 48%
 Somewhat negative 14%
 Very negative 3%
DON'T KNOW 11%

Total positive **72%**
Total negative **17%**

Positive – Negative **+55**

49. The Local Control Funding Formula provides additional funding to school districts that have more **(ROTATE)** English-language learners, lower-income students, foster youth, and homeless youth and gives local school districts more flexibility over how state funding is spent. In general, do you favor or oppose this policy? **(FLIP 1-2-3-4-5/4-3-2-1-5) (2015)**

Strongly support 22%
